SANDERS, FRYE & FAULCONER TO DEDICATE FIRST PARK IN MISSION VALLEY HISTORY

Mayor & Councilmembers working together to improve the community

San Diego, CA- Today Mayor Jerry Sanders, Councilmember Donna Frye and Councilmember Kevin Faulconer announced plans to dedicate the Sefton Presidio Little League site as the first park in the community of Mission Valley.

Mayor Jerry Sanders stated that, "It is critical that every community in the city have access to parkland. It was important for me to work with Councilmembers Frye and Faulconer to make sure we could provide this park area to the Mission Valley community." Improvements to the 11 acre site will include a comfort station and a bicycle/pedestrian path to the ocean.

Councilmember Frye said, "Mission Valley is one of the most populated areas in our city without parkland; the residents deserve to have recreational areas. This park will provide the community with athletic fields, children's play areas and a bicycle and pedestrian path that will connect Mission Valley to the ocean."

Councilmember Faulconer commented that, "Dedicating this parkland is a wonderful thing for groups like Presidio Little League. This action will guarantee that there will always be a recreational area for the community members to utilize for everything from playing baseball to an area to picnic with friends and family."

The public is invited to provide input on what they would like to do and see in this park. The meeting will be held on Wednesday, September 6th at 7 pm at the Doyle Recreation Center located at 8175 Regents Road.

Mayor Sanders was sworn in as Mayor of the San Diego in December 2005. Donna Frye is the City Councilmember for the Sixth Council District of the City of San Diego and is currently the chair of the City Council's Natural Resources and Culture committee. Frye is Chair of the San Diego River Conservancy and Sanders is a member of the Governing Board. Kevin Faulconer is the City Councilmember for the Second Council District of the City of San Diego, which includes the communities of Bankers Hill, Downtown, Mission Beach, Mission Hills, Ocean Beach and Pacific Beach.
